

Run for *Your Parks* & Forest Preserves! Give Back Program

FREE guaranteed 2021 Chicago Marathon entry & give back opportunity

As an official charity partner of the 2021 Bank of America Chicago Marathon, the Chicago Parks Foundation's Team ChiParks Charity Team recruits members each year to raise awareness and funds for our incredible Chicago parks and communities! At this point, the only way to get an entry to the Chicago Marathon on October 10, 2021 is through a Charity. **GOOD NEWS**...the Chicago Parks Foundation has a spot for YOU on our Marathon Team, **Team ChiParks!**

This year, we are partnering with **Friends of the Forest Preserves** to provide a special opportunity for you to give back to Chicago's parks *and* **Friends of the Forest Preserves**. How it works:

- When you register for the 2021 Chicago Marathon as a member of Team ChiParks, you'll receive a FREE guaranteed entry to the Marathon, access to FREE Marathon Training with one of our partners, and Team ChiParks swag!
- The Fundraising Commitment is \$1750. \$500 of the amount you raise will go directly back to **Friends of the Forest Preserves!**

Join us! Run one of the most prestigious marathons in the world AND give back to your community!
