Organization:

Mission: We unite people to protect, promote, and care for the forest preserves in Cook County.

Our community advocates for the responsible management of the nearly 70,000 acres of forest preserves in Cook County through advocacy, engagement, and stewardship of the land. Some of the best natural areas in Illinois are right here in Cook County, right outside your urban backdoor. Join our team and help us ensure they are here for the next 100 years.

Friends is an organization that gets things done with our members, volunteers, staff, board, and partners. We believe in work-life balance and are here for the marathon, not the sprint (not that we don't sprint on a regular basis).

Operating Budget: \$3,600,000

Summary: Friends of the Forest Preserves (FOTFP) seeks a Crew Manager to lead our North Branch Conservation Corps Crew, based in Chicago, IL. Conservation Corps members work year-round to remove invasive species and restore native habitats throughout the forest preserves in Cook County. Participants gain valuable skills and certifications that could lead to a long-term career in natural land management or other environmental jobs. We are seeking a Crew Manager to provide strong leadership in achieving the goals of the program.

Responsibilities:

- Manage and supervise 5-member crew to work on variety of indoor and outdoor conservation projects in Forest Preserves of Cook County
- Work independently to fulfill restoration work orders and project responsibilities, including, but not limited to, year-round field work, supplies procurement, tool and vehicle maintenance, scouting, walkthroughs, and follow up treatment
- Train and lead crews for field work, herbicide application, prescribed burning, and mechanical control of invasive species using motorized equipment (brush cutters, chainsaws, mowers) and hand tools
- Assist with educating crew in ecological restoration and local ecology concepts
- Develop weekly crew schedule, training, and reporting
- Evaluate and document crew work activities and performance through compiling weekly work log data, taking and uploading crew photos, and assisting with writing quarterly and annual work progress reports
- Interview, screen, hire, and onboard all new crew members
