### Organization:

Mission: We unite people to protect, promote, and care for the forest preserves in Cook County.

Our community advocates for the responsible management of the nearly 70,000 acres of forest preserves in Cook County through advocacy, engagement, and stewardship of the land. Some of the best natural areas in Illinois are right here in Cook County, right outside your urban backdoor. Join our team and help us ensure they are here for the next 100 years.

Friends is an organization that gets things done with our members, volunteers, staff, board, and partners. We believe in work-life balance and are here for the marathon, not the sprint (not that we don't sprint on a regular basis).

**Operating Budget:** \$3,750,000

**Summary:** Friends of the Forest Preserves (FOTFP) seeks an Assistant Crew Manager who will help lead our BGI Conservation Corps Crew, based out of Citizens for Conservation, 459 W State Rte 22, North Barrington, IL 60010. Conservation Corps members work year-round to remove invasive species and restore native habitats throughout the forest preserves in Cook County. Participants gain valuable skills and certifications that could lead to a long-term career in natural land management or other environmental jobs. We are seeking an Assistant Crew Manager to provide strong leadership in achieving the goals of the program.

### Responsibilities:

- Assist with the management and supervision of a 5-person crew to work on outdoor conservation projects in the Forest Preserves of Cook County.
- Assist with the development and training of crew members in ecological restoration and local ecology concepts.
- Lead project work when the crew manager is unavailable. This may include leading multiple Conservation Corps crews.
- Perform independent field work in the forest preserves including scouting project sites, checking on previously completed projects, performing equipment maintenance, and other tasks as assigned.
- Document crew member work activities and performance through compiling weekly work log data, timesheets, taking and uploading photos and instagram posts, and assisting with writing bi-monthly work progress reports.
- Any other assistance the crew manager assigns.

---

### board of directors

Ed Woodbury, Chair | Justin Martin, Treasurer | Margaret Frisbie, Secretary
