Organization:

Mission: We unite people to protect, promote, and care for the forest preserves in Cook County.

Our community advocates for the responsible management of the nearly 70,000 acres of forest preserves in Cook County through advocacy, engagement, and stewardship of the land. Some of the best natural areas in Illinois are right here in Cook County, right outside your urban backdoor. Join our team and help us ensure they are here for the next 100 years.

Friends is an organization that gets things done with our members, volunteers, staff, board, and partners. We believe in work-life balance and are here for the marathon, not the sprint (not that we don't sprint on a regular basis).
